Lowndes logo usage

The Lowndes logo is comprised of a symbol and the word “Lowndes” in a combination of “signature green” and black (see pg. 3 for specific color details) whenever possible. Black and white, grayscale, reverse, and knock-out are the only other options.

The logo should have a minimum of clear space around it as outlined in the clear space section of these guidelines. Its proportions must never be altered or modified in any way.

The logo has been set with a customized version of the font: Arcon.

Clear space guides

A clear space tolerance has been established around the Lowndes logo to protect its integrity. The clear space also ensures that the logo is never visually dominated by other elements. The defined space should be kept clear of all type, elements and imagery.

The clear space is an equal size all around the full logo.

Minimum size

The main requirement is that it can be clearly seen.

Under no circumstances should the full or abbreviated logo be reproduced smaller than 0.15” in height.

Maximum size

There is no maximum size for the logo, other than it must be kept proportional.

Typeface

The branded typeface, or fonts for design and copy are Arcon (headers) and Aileron (body copy).

In instances where these typefaces cannot be used, Arial, Calibri, or an open sans serif typeface should be used in its place.

As a general rule, headlines are typically in Arcon (or an open sans serif) and subheads and body copy are in Aileron (or an open sans serif).

Note: The Lowndes logo uses a modified version of the Arcon typeface. This is exclusive to the logo and is not recommended for use in other communications.

Abbreviated logo (symbol only) usage

Using the Lowndes logo symbol (also called the “abbreviated” logo,) alone is acceptable only if the full name appears elsewhere on the material.

Full name must appear as:
Lowndes, Drosdick, Doster, Kantor & Reed, P.A.

The abbreviated logo must be used as pictured below. It cannot be distorted, cropped, pulled apart or altered in any way. The images below are correct use of the abbreviated logo.

A note about a knock-out version: The Lowndes logo may be reproduced in white in cases where it appears on a color background.
