

A banner image with a dark blue background, overlaid with a grid of vertical lines in various colors (blue, orange, red) and a glowing blue line graph with data points, suggesting a financial or technological theme.

Capital Markets & Technology

Our attorneys represent a variety of businesses, large and small, public and private, locally and nationally, across a wide spectrum of industries. Our depth and breadth of experience help us anticipate and address the complex issues that arise in capital markets transactions, private equity and venture capital, M&A, public equity, debt financing, private securities offerings and intellectual property matters.

We help clients in every stage of growth, including:

- Business formation
- Intellectual property transactions
- Strategic partnering
- Angel, venture capital and private equity financing
- Debt financing
- IPOs and other public securities offerings
- Merger, acquisition and sale transactions
