

Nonprofit Organizations

We provide a myriad of services to nonprofit organizations, including advising on the challenges of and solutions to business formation, financing issues and tax planning.

Downtown Orlando, in particular, has experienced a cultural arts and entertainment renaissance of sorts, with the construction of the Orlando Magic's Amway Center, the development of the Dr. Phillips Center for the Performing Arts and the upgrading of the Florida Citrus Bowl. Lowndes has been at the hub of all these projects and more.

Whether we are representing nonprofit organizations or participating on their boards, our attorneys assist a variety of issues, including:

- Land use and zoning
- Construction
- Financing
- Intellectual property
- Labor & employment
- Tax compliance

Our clients include:

- Arts and cultural institutions
- Colleges and universities
- Foundations
- Healthcare facilities
- Religious institutions
