Take Your Career to the Next Level

Nearly half of our lawyers are laterals – even name partner Bill Doster, who was the very first lateral recruited by John Lowndes himself shortly after founding the firm in 1969 – and slightly more than half of our lawyers are “organically grown” having been here 10-20-30+ years. Frankly, it doesn’t really matter how we got here.

We are connected by our commitment to clients, to each other, and to our community.

Do you believe in excellent client service? Are you willing to foster a culture of cooperation and contribute to the betterment of the firm and the community? Reach out to Greg McNeill or John Ruffier.
