Liquidation of S Corporations: Mastering Tax Implications of Liquidating Distributions

Webinar
Strafford
11.16.2022

Shareholder **Amanda Wilson** will be a presenter for the "Liquidation of S Corporations: Mastering Tax Implications of Liquidating Distributions" webinar presented by Strafford on November 16, 2022. This course will delve into a case study on the planning, tax calculations, property dispositions, and dissolution filings required to liquidate an S corporation.

The panel will brief participants on the general rules stated in IRC Section 1371, tying liquidation rules back to those applying to C corps, detailing the gain/loss on distributions in exchange for stock, and outline two-three scenarios illustrating the rules in action.
