County Hurdles: Navigate Without Killing the Deal

Conference
ICSC@FLORIDA
08.30.2026

Shareholder Tara Tedrow was a panelist for a session entitled “County Hurdles: Navigate Without Killing the Deal” during the 2026 ICSC@FLORIDA, held August 30 through September 1 in Orlando, Fla.

Tara and her fellow panelists discussed the county—and state—level challenges that can affect a project’s feasibility and timeline—from impact fees and entitlements to permitting delays, stormwater requirements and FDOT coordination. The conversation focused on practical ways developers can identify regulatory risks early, work effectively with government agencies and keep deals moving forward.
