Florida Land Use Law in Motion

Seminar

American Planning Association Florida - Orlando Metro Section
06.12.2026

Land Use attorneys Logan Opsahl, Tara Tedrow, and McGregor Love will be panelists for "Florida Land Use Law in Motion," presented by the Orlando Metro Section of APA Florida on June 12, 2026, at Lowndes. The program will include a break down the most impactful land use and planning legislation from Florida's 2026 legislative session—and what it means for communities across the state.

This timely session goes beyond the statutes, exploring key policies, emerging trends, and real-world implications shaping planning and development today.

Designed for planners, attorneys, and allied professionals, the discussion will focus on practical insights, candid conversation, and takeaways you can apply immediately in your work.
