Lowndes is pleased to announce that attorneys **Adam Lewis** and **Andrew Kelly** have been appointed to the board of Young Professionals for Orlando Science Center. The Young Professionals fundraises and “friend-raises” to support the mission of Orlando Science Center and improve the Central Florida community.

Lewis focuses his legal practice on all aspects of commercial real estate transactions, advising his clients on the acquisition, disposition, financing, development and leasing of all types of commercial property. He also assists clients with a wide variety of matters related to commercial lending, title insurance, mineral rights and the development of renewable energy facilities.

Kelly focuses his practice in the areas of mergers and acquisitions, corporate governance, financing and other general corporate and securities matters. He has experience working with clients on a wide range of real estate matters including real estate development, finance and transactions, condominiums, property owners’ associations, commercial leasing, commercial lending and title insurance.
