S. Brendan Lynch

Lowndes is pleased to announce that attorney **Brendan Lynch** was recently appointed to the Orlando Science Center (OSC) Board of Trustees. As Central Florida's award-winning, hands-on science museum, OSC has provided science exhibits and programming to local residents and visitors for more than 60 years.

Lynch represents both commercial and residential property land owners, as well as tenant business owners, in issues of property tax valuation and eminent domain/condemnation.
