

Griffin Giroux Named Co-Chair of Orange County Bar Association Business Law Committee

Press Release
Lowndes
07.07.2023

Lowndes is pleased to announce that attorney **Griffin Giroux** has been appointed to serve as co-chair of the Orange County Bar Association's Business Law Committee.

Founded in 1993, The Orange County Bar Association has over 3,250 members and has been the primary vehicle for area attorneys to meet, exchange information and provide valuable legal and community services to residents in surrounding communities. Currently the OCBA has twenty-four substantive law committees and four special program committees designed to provide current and timely information to a clients legal specialty area.

Giroux represents a broad range of clients in commercial litigation matters and internal and government investigations. His ability to digest vast amounts of information, conduct thorough research and understand the big picture enables him to counsel clients on complex issues in a clear and practical way.
