Quino Martinez Quoted Regarding Force Majeure Lease Provisions

Media Mention
CoStar News
03.24.2021

Shareholder Quino Martinez was quoted in a CoStar News article discussing the importance of concise and accurate language in the drafting of force majeure clauses for real estate leases.

"It's important to strategically negotiate the allocation of risk in a force majeure provision, but it's equally as important to carefully craft the provisions to ensure that the lease language makes the intent of the parties clear," Martinez said.
