Seminole County could begin issuing fines under proposed bear ordinance

Media Mention
11.24.2015

Lowndes shareholder **Gary Kaleita** discusses with *Fox 35* how Seminole County could begin issuing fines under proposed bear ordinance.

"I'm sure a lot of homeowners will choose to put their trash out on the day of collection in a regular trash can or even in a plastic bag, and so trash being the single biggest attractant, I think you're still going to have bear issues in Seminole County."
