Annual Report Filing Deadline for Florida Business Entities Extended to June 30, 2020

Article
04.09.2020

In response to the COVID-19 pandemic, the Florida Department of State (DOS) has issued an order extending the deadline for filing annual reports for Florida business entities from May 1 to June 30.

This DOS Order applies to all corporations, limited liability companies, limited partnerships, and other business entities that are required to file annual reports with the Florida Division of Corporations on an annual basis.
