The City of Apopka has proposed an amendment to the City's Land Development Code. The Amendments will, among other things, create and consolidate zoning districts, amend the planned development approval procedure and clarify certain portions of the Land Development Code. The Planning Commission will meet on December 11, 2018, to further discuss the Amendments. A first reading of the Amendments will take place at 7:00 pm on January 16, 2019. A second reading/adoption will take place at 1:30 pm on February 6, 2019.
